BBBS helps children facing adversity achieve measurable outcomes leading to lifelong success

**What we do:** mentoring at scale

**What we achieve:** measurable outcomes

**Why it matters:** impact

**Educational success**
- Little stays in school, performs better and is more likely to graduate

**Attitudes and competencies**
- Little has higher aspirations, gains confidence to overcome challenges, and improves relationships with family and community

**Risky behavior avoidance**
- Little avoids risky behaviors, delinquency and juvenile justice system

**Agency works within community and with partners to engage with families, volunteers, and donors to serve children facing adversity**

**Create and professionally support safe, strong and enduring 1:1 matches with BBBS volunteer mentors**

**Leverage infrastructure and expertise of nation’s premier mentoring organization**

- Children facing adversity become responsible, productive citizens able to achieve lifelong success
- Communities are safer
- Businesses benefit from better prepared workforce
